

HOME GROWN KIDS

Introducing:

Melanie

Hi, my name is Mel. I am a mother of three, Autumn (7), Oakley (5, big school boy) and Daisy, who is 3 years old.

I am a stay at home mum and have been looking after children aged 0 to 7 for the last two years for friends and family. I love a house full of children, it makes me feel alive and there is never a dull moment around my house.

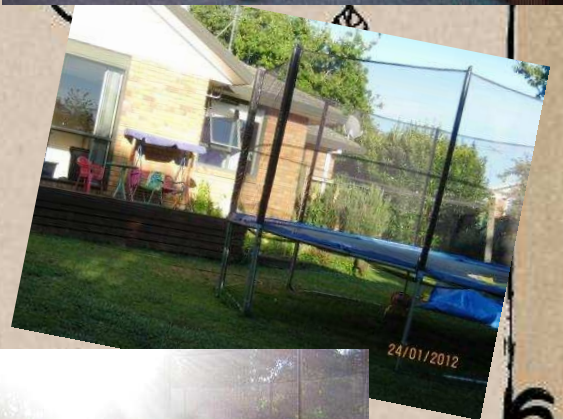

I am a very social individual and love to meet other mums and their little tots, so playgroups are one of my weekly activities. I am on the team of the Mainly Music group at the Baptist church in Pukekohe and I also help out as a Sunday school teacher at the same church.

I love the outdoors and I always encourage children to play outside. We have a little park around the corner from our house and this is just a five minute stroll, which will be one of our weekly exercise programs. I believe music is a very important part of growing up and we will also have a music activity where we will be putting on our dancing shoes!

I have also arranged the garage into a 'messy room' where there are plenty activities to try out. I have a collage table set up, a table for play dough and a corner for painting. Outside we have the trampoline, the sandpit, a swing, lots and lots of balls and plenty bikes, trikes and a rocking horse to choose from.

So if you are looking for a house full of play, learning and laughter, then this is the right house for you and your child! I am very much looking forward to hear from you.

Mel
