

HOME GROWN

Intro

Megan

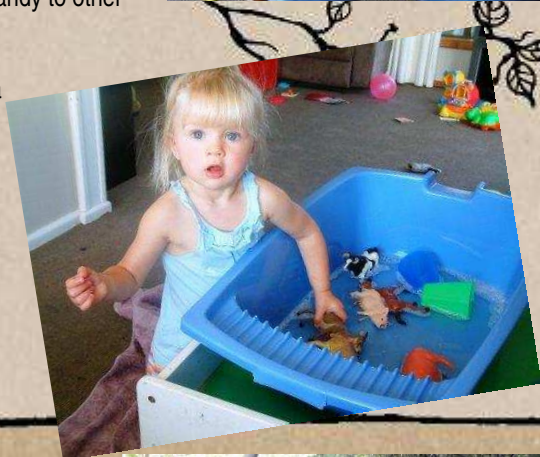

I live in Hornby in a quiet street, handy to Dressmart and the Hub Hornby, with my Husband, 2 dogs, 2 rabbits and a bird.
I have completed my nanny training through Rangī Ruru Early Childhood College and the first year of my diploma of teaching.

Over the past 11 years I have had lots of experience with babies and children of all ages from 6 weeks old, including those with special needs which hold a special place in my heart.

Through my teenage years I spent many Friday and Saturday nights babysitting. I have also previously taught Water Baby Classes and Learn to Swim Classes while I was at secondary school and through Rangī Ruru.
I have a large selection of resources (toys, puzzles, books, music, dress-ups, baby related resources, and art/crafts) that I can offer.

I live within walking distance of parks and the library and I am very handy to other children focused activities. I try to attend as many Home Grown kids outings and playgroups as possible as well as plan my own.
I'm passionate about working with children and providing them with a safe and happy environment to play and learn. I'm happy to assist with Kindy drop-offs or pick ups if required.

I currently have 2 part time spaces available for over 2s
I'm available from 7.00am to 6.00pm or by negotiation including a Saturday if needed.
