

HOME GROWN KIDS

Introducing: Angela

Hi, my name is Angela. I am a fully qualified Early Childhood teacher in South Africa. I moved to New Zealand a year ago – (2010) to be with my family.

I love spending time with children and am passionate about providing a caring, educational, safe, stable and interesting environment for your child/children. I provide a large range of activities including puzzles, books, construction, manipulative equipment, family play, dress-ups, fantasy play, many different creative activities, sandpit, water and messy play, music, dance and movement activities, gardening, bikes and educational activities. Basically, a lot of fun indoors and outdoors!

I provide a programme that is constantly observing and extending your child/children's interests. I make every effort to encourage your child's holistic development, exploration, well-being, communication and belonging.

Your child will also get to play at Lollipops Playland, attend playgroups, visit parks and playgrounds, go for walks, bike rides and take part in any other programmes within the community that are of interest to them.

I look forward to meeting you and your family and providing a warm, fun loving environment for your child/children where they will be encouraged and challenged to reach their full potential.

Angela
